

HOLLYWOOD.**WAITING FOR TRACTION.**

HOLLYWOOD, Jan. 31.—The News that the Traction Railway Company is soon to begin work on its line into Hollywood is received with much interest. The prospect of shorter time into Los Angeles is meeting with favorable comment. The people here have furnished a bonus of \$10,000 to induce the company to build as soon as possible. Coming as it will into the southern part of town from Los Angeles it will open a part which has needed the conveniences of this new arrangement.

BOULEVARD WORK.

The property owners along Sunset boulevard have decided to push the work of grading between Highland avenue and Laurel Cañon. This will complete this end of the famous boulevard. The money will be deposited in the bank and work begun at once. Messrs. Herrington, Lyons, Gardner E. Smith have been appointed a committee to urge the work.

SEWER TALK.

The question of sewerage is agitating the people of Hollywood. The need of it to give the place a more substantial character and reputation abroad is becoming more apparent. It is found that from Sunset boulevard to the ocean the fall is 350 feet, giving adequate grade for carrying off and disposing of the sewerage.
